

★ STELLAR STUDENT

★
★ **Sherlyn Romero Escalante**

[St. Rose School, Chelsea, MA](#)

Sherlyn, an enthusiastic sixth grader with an infectious smile, transferred to St. Rose School from a local public school this September. She joined two cousins already at St. Rose School and she is thrilled to be a student in our school.

Sherlyn is an engaged and motivated learner, earning high honor roll for her first term at St. Rose School. She continues to maintain an “A” average in all of her classes.

According to her homeroom teacher, Ms. Meyer, “Sherlyn has been a wonderful addition to our school. She has transitioned smoothly both socially and academically.

Sherlyn fits in well with the other students and made friends easily with her positive attitude and kindness. She is very willing to help and support the classroom. Sherlyn is also an outstanding scholar. She always puts forth her best effort and writes very thoroughly to complete responses in all her subjects. She works diligently to complete her work and never rushes. She adds insights to class discussions and explains concepts clearly.”

When asked about Grade 6’s upcoming trip to Nature’s Classroom, Sherlyn responded, “It will be awesome, fun, and amazing! I want to learn more about science.”

Sherlyn is a recipient of a Catholic Schools Foundation Scholarship targeting Hispanic Recruitment. Born in Boston, she is the daughter of Honduran immigrants who settled in Chelsea. Sherlyn and her family greatly value the education that she is receiving at St. Rose School and appreciate the opportunities that will come from it.
